These forward looking statements that include words or phrases such as First Gen or its management "believes", "expects", "anticipates", "intends", "plans", "foresees", or other words or phrases of similar import. Similarly, statements that describe First Gen's objectives, plans or goals also are forward-looking statements. All such forward looking statements are subject to certain risks and uncertainties that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. Such forward looking statements are made based on management's current expectations or beliefs as well as assumptions made by, and information currently available to, management. Neither First Gen nor any of the underwriters participating in the Offering (the "Underwriters") nor any of their respective affiliates, shareholders, directors, employees, agents or advisers makes expressed or implied representations or warranties as to the accuracy and completeness of the information contained herein and neither of them shall accept any responsibility or liability (including any third party liability) for any loss or damage, whether or not arising from any error or omission in compiling such information or as a result of any party's reliance or use of such information. The information and opinions in this presentation are subject to change without notice.

This presentation does not constitute a prospectus or other Offering Memorandum in whole or in part. Information contained in this presentation is a summary only, and is qualified in its entirety by reference to the Offering Memorandum. It is strongly recommended that each investor read the Offering Memorandum for more complete information regarding this offering before making an investment decision. To request a copy of an Offering Memorandum please contact one of the Underwriters representatives attending this meeting. This presentation shall not constitute an offer to sell or the solicitation of an offer to buy any security. There shall be no sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to qualification under securities laws of such state or jurisdiction. By receiving this presentation each investor is deemed to represent that it is a sophisticated investor and possesses sufficient investment expertise to understand the risks involved in the offering. Investors must rely solely on their own examinations of the Offering Memorandum and the offering in making a determination as to whether to invest in the securities offered. Prospective investors should undertake their own assessment with regard to their investment and they should obtain independent advice on any such investment's suitability, inherent risks and merits and any tax, legal and accounting implications which it may have for them.

The information presented here is not an offer for sale within the United States of any security of First Gen. Securities of First Gen may not be offered or sold in the United States absent registration under U.S. securities laws or unless exempt from registration under such laws. The offering of First Gen's securities described in this presentation has not been and will not be registered under U.S. securities laws and, accordingly, any offer or sale of these securities may be made only in a transaction exempt from registration.

## INTERNAL DRIVERS FOR IMS CERTIFICATION

1. WE TAKE OUR ROLE AS “VANGUARD FOR GAS FIRED POWER GENERATION” SERIOUSLY
  - BEST EFFORTS TO BRING THE BENEFITS OF NATURAL GAS TO THE FILIPINO CONSUMER
    - INDIGENOUS
    - CLEAN
    - COST-COMPETITIVE
    - USABLE FOR NON-POWER APPLICATIONS
2. WE WANTED TO BE “BEST OF CLASS” IN PLANT OPERATIONS ESPECIALLY IN AVAILABILITY, RELIABILITY AND FUEL EFFICIENCY
3. WE NEEDED TO IMPROVE SYSTEMS SO THAT WE COULD “LEVERAGE FINANCIAL AND HUMAN RESOURCES FOR GROWTH”
